

# *Foothills Conservatory for the Performing Arts'* **Sponsorship Form**

---

Through our programs, thousands of children and adults from throughout the Upstate experience serious performing arts for the first time in their lives. Support of these events allows your business to gain visibility, thus highlighting you as a good corporate citizen and associating your company's name with these popular programs.

Without your generous support, FCPA would not be able to continue the high-quality artistic productions for which we are recognized. We appreciate your support, and we encourage our members and patrons to support you.

Thank you for helping us to continue "*Fostering the Arts... Enhancing Our Community.*"
